ONLINE PAYMENTS

The Des Moines Public Schools, by contracting with RevTrak, a national credit card payment processor, will provide you a secure site for making online payments. Payments can be made using a VISA, MasterCard or Discover credit or debit card. Below are instructions for the payment of outstanding fees that appear in Infinite Campus. These fees include textbook fees, planners, course fees and other school specific fees. The webstore also allows you to connect to existing departments that currently offer online payments including payments for school meals and community education courses.
