

AP EXAM ORDERING

AP Exam registration starts next week. All exam registration and payment takes place at the home school, except for students from out of district who register and pay at Central Academy.

- Registration for AP exams **starts January 19** and **ends March 28**. Students order all tests on one order form.
- Each AP Exam costs \$92. Once a student turns in an order form, the fee will show up in Infinite Campus and can be paid online with a credit card or with a check or cash to the school bookkeeper. The fee can be paid in installments or all at once.
- There are funding supports.
Any student who qualifies for **free or reduced priced lunch** will be able to take AP exams at **no cost**, for courses in which they are currently enrolled, thanks to a grant from the United Way of Central Iowa and financial waivers from the College Board.
- Student registration process:
 - Students pick up a registration form from the home school or CA main office (**locations vary check with your home school AP Site Coordinators– main office, counseling office, teachers*).
 - Students take the completed form and a deposit/payment to the school's bookkeeper.
 - The bookkeeper takes the form and deposit/payment and puts all of the information into Infinite Campus.
 - The bookkeeper will file the **WHITE copy** of the registration form and give the **YELLOW** copy to the student.

TEST LOCATIONS:

Most AP Tests are given in the five comprehensive High schools (East, Hoover, Lincoln, North, Roosevelt) even if students take the AP class at Academy. However, if students do not attend one of these five schools, they order and take their exams at Academy.

Some exams are **ONLY** given at Academy. So, if students who attend one of the five comprehensive high schools take one of these exams, they will still order and pay for the exam at their home school, but they will take the exam at Academy. The following exams will be only given at Academy:

Art History	Comparative Gov't & Politics	Italian Language & Culture
Calculus BC	European History	Japanese Language & Culture
Chinese Culture and Language	French Language & Culture	Physics C: Mech & Electromagnetism
Computer Science A	German Language & Culture	World History

In addition, because these courses are not offered in these schools:

Some courses are not offered at all of the home schools. If a course is offered at Academy and not the home school, the student will take the exam at Academy. For example: Students from East and Lincoln will take Chemistry at Academy. But students at Hoover, North and Roosevelt will take Chemistry at their home schools. DMPS students order and pay for all of their exams at their home schools no matter where they take the exam.

AP Exam Schedule – Central Academy - 2016

AP Exam	Exam Date/Time	Location	AP Exam	Exam Date/Time	Location
Chemistry	Monday, May 2 nd AM	@CA or H, N, R	Biology	Monday, May 9 th AM	@CA or E, L, N, R

German Language	Friday, May 6 th AM	@CA	Human Geography	Friday, May 13 th AM	@home school
U.S. History	Friday, May 6 th AM	@home school	Microeconomics	Friday, May 13 th AM	@home school
European History	Friday, May 6 th PM	@CA			
Studio Art		@home school			

Shaded: AP Exams given at Central Academy
Unshaded: AP exams that are not given at Academy

Location:

@CA = DMPS students take this exam at CA unless it is offered at their home school.

EX: Chemistry is “@CA or H, N, R” Meaning Hoover, North and Roosevelt students take the Chemistry exam at their home school, all others take it at CA.

@E = East; @H = Hoover; @L = Lincoln; @N = North; @R= Roosevelt

If an exam is shaded and the location is “@home School” then the exam is only given at CA to out of district students.

If an exam is not shaded and the location is “@home school” then the exam is only given in the home schools.
